**“Neighbors looking out for Neighbors”**  
**COVID – 19 updates available on the Town website**

Call to order for regular Board Mtg.

Pledge to the flag.

Tonight’s comments should be submitted to the Town Clerk prior to the TB mtg. and will be addressed via Zoom connection. (Connection updates are to be provided on the Town’s website). Please note: Residents are encouraged to review minutes that are in place as required on the Town website or has been discussed previously in open session. Many questions can be answered by review.

As current events (COVID-19) have placed requirements on crowd assemblies and restrictions to social distancing, we ask for the public’s patience in meeting those requirements. The technology for such requirements presents a new technological format. We are adjusting to meet the public needs while not placing our residents at risk.
