The applicant shall, as part of this applicant shall provide and agree to:

- Notify the building department of any changes in the information contained in the application or approved plans and specifications.
- Notify the building department 24 hours in advance for all inspections and receive approval before any building element, equipment, or system is covered or enclosed.
- Prominently display on the premises the building permit issued & authorize the building inspector access for the purpose of inspections during construction.
- Not use in whole or in part for any purpose whatsoever until the structure meets all applicable codes, stipulations, all inspections have been made, approvals granted and a certificate of compliance is issued.
- Abide by planning Board & Zoning Board of Appeals approval and all plan amendments made by the Building Department.
- **Work may not commence prior to the issuance of the permit.**
At the time of the issuance of such permit, a copy of the approved plan will be returned to the applicant to be kept at the work site, available for inspection throughout the progress of the work.
- **ALL ELECTRICAL WORK WILL BE INSPECTED BY A THIRD PARTY APPROVED BY THE TOWN OF BRISTOL..**

Acceptance does not relieve the agent, applicant, architect, builder, engineer, or owner from complying with any of the provisions of the NYS Building Code, SEQRA act, Local zoning act. Wither Incorrect information may result in revocation of permit.
