

Levi-Corser Park now has a Veterans Memorial. As part of an Eagle Project, a Veterans Memorial was constructed in Levi-Corser Park to honor Bristol Veterans. Jacob D. Foote, Boy Scout of Troop 55 completed the memorial. It is by that commitment that our brothers and sisters have fought and died that we must dedicate ourselves, to honoring that commitment of safeguarding the freedom and liberty of these United States and her people.

For donations of \$50 or more, a brick will be engraved with a name or organization of your choosing.

Please fill in the form below to donate. Cash or check payable to Town of Bristol.

Thank you.
