

TOWN OF BRISTOL

COMPREHENSIVE PLAN UPDATE

What is this?

The Town is updating its Comprehensive Plan - a community document that provides guidance and direction on a variety of issues such as land use, economic development, the environment and quality of life, to name a few.

Why is it important?

It's where we as a community can have an opportunity in shaping the Town over the next 10-15 years. A successful plan requires citizen input and feedback!! This is YOUR Town!!

Why now?

The old plan dates back to 2007 - times change, people change, thoughts change. Many items have been completed or are out-of-date. It's time for a fresh look to make sure we're still on the right path or re-direct us if we're not.
