Please post for one day only on July 7, 2015 the following notice:

Under tax map # 124.00-1-21.090 Article 11 schedule of Lot Size, Building Size and Setbacks a minimum of 75' is required for a front yard setback from the front property line. David Laurenza of 4491 Case Road is requesting an area variance to reduce the front yard setback to 40' due to the steep slopes at the back of their parcel. He wishes to place a 44' x 48' pole barn on the parcel. This will mean a reduction of 35' from the approved front yard setback. The Zoning Board of Appeals of the town of Bristol will review this Variance application on July 14, 2015 in the town hall of Bristol at 7:00 p.m. Anyone interested in this application is welcome to attend.
