Comprehensive Plan Update Committee

To Do List

Look at Housing and CFS
(Community Character,
Facilities, and Services)

Provide B & L with pictures
to be used in Plan

B&L will review document
for content, organization
and layout.

B&L will continue to add
information provided by
Committee Members.

Public Meeting to TBD

Next Meeting: March 7,
2018 and March 21, 2018

Future meetings time will
be 6:00 pm to 7:30 pm

Present: Sharon Lilla, Nicole Cleary, Ron & Liz Smith, Dave Parsons, Cat Cohen, Joann Rogers, Carla Jordan, Kris Monzel, Donna Beretta and Sandra Riker

Excused: Justin Steinbach

Notes: The notes from the January 17, 2018 meeting were approved for posting to the Town Webpage.

The meeting of February 7th was cancelled due to snow.

Environment and Natural Resources (ENR) reviewed:

ENR1-action item Burning Springs is referred to as a prominent feature of the Town. Dave Parsons reminded the group that while a prominent feature it is located on private property and should not be listed here. It was agreed that this should be removed from this Action item.

ENR 3, 4, 5 can be combined and Sharon and Nicole will wordsmith. Nicole suggested that EPODS (Environmental Protection Overlay Districts) might be used in zoning regulations to help preserve the inventoried natural resources being looked at by Dr. Bruce Gillman.

ENR 9-Land and Vistas-reference to Richmond Law adopted in 2017 and allow drilling as an accessory use for farm & homes.

ENR11-Assess transfer station and its possible consolidation with other towns: currently our transfer station allows East Bloomfield residents to use as well. Carla mentioned that the County is funding a study for possible partnership with Green Renewables and Bristol has been looked at as one of the possible sites to include more towns.

ENR12-12 A-D all need wordsmithing.

ENR14- regarding a local noise ordinance needs work.

ENR15- ~~Develop Encourage~~ Consider Dark Sky Guidelines and a Lighting Ordinance for reducing and minimizing light pollution.

Watersheds & Aquifers under Potential Partners O.C.S.W.D. (Ontario County Soil Water District) should be added to ENR 16-20.

ENR20-Zoning Regulations should be developed to be friendly to Agriculture. Under Potential Partners AG Assessments and Ag& Markets should be added The Action Item should be reworded.

ENR22-Flora and fauna needs work because it could present a problem for Agricultural Use.

ENR23-Action Items the reference to aphids should be removed.

ENR25 & 26 Potential Partners should include O.C.S.W.D.

Due to the time involved with this section CFR and Housing will be looked at the next meeting.

March 7th meeting at the Town Hall and the 21st will be at the Library.

Respectfully submitted,

Sandra Riker

Town of Bristol

Planning & ZBA Secretary
