

Park Playground

These protocols are developed in accordance with the State's *NY Forward Reopening* guidance. **Use the Playground at your own risk, please supervise children.**

Maintain safe behavioral practices

We all must make significant behavioral changes to reduce the spread of COVID19. To visit the Bristol Parks, all visitors will be required to diligently continue these practices:

- * Washing hands frequently and thoroughly is the best way to help prevent the spread of this disease.
- * Social Distancing – Please stay at least 6 feet away from any other people in a shared space. This includes the lavatories; one person in the facility at a time.
- * Respect others personal space.
- * Wear cloth face coverings/masks if social distancing cannot be maintained.
- * Avoiding touching your eyes, nose, and mouth.
- * Stay home when you have symptoms or are sick.

CLEANING PROTOCOLS

Wash your hands often

Please wash hands often with soap and water for at least 20 seconds after using playground equipment, lavatory or after blowing nose, coughing or sneezing.

Clean and disinfect

- Park lavatories will be cleaned and disinfected regularly.
- **Please use hand sanitizer before and after using playground equipment.**

Wear a Face Covering

- The public will not be forced to wear a mask in the park but may be asked to leave if good practices regarding social distancing are not followed.
