An Invitation to Serve Your Library

The Bristol Library depends on citizen involvement to ensure that it's services are as reflective of community needs as possible.

The Bristol Library Board of Trustees is a seven member board with membership appointed by said Board to four year terms. Trustees must live in the Town of Bristol. The Board meets the 3rd Tuesday of every month at 7:00pm in the library.

As a policy making body, the Board of Trustees guides the development of library services. Effective trustees bring to the library knowledge of the community, a commitment of rights of citizens to information, and willingness to continually maintain and strengthen services.

If you are interested in serving on the Library Board, please complete the form below and return it to the Library Manager. This expression of interest will make your name available for consideration, but will not of course, guarantee appointment.

For more information please contact Library Manager Donna Beretta at 585-229-5862 or Email dberetta@pls-net.org.

Thank you for your interest in the Bristol Library.
