TOWN OF BRISTOL
BUDGET WORKSHOP
SEPTEMBER 23, 2014

PRESENT: Robert A. Green Jr., Bruce Harter, David Parsons, Alden Favro, Thomas Stevens, Ron Wilson, Sharon Miller.

The Supervisor called the workshop meeting to order at 6:30 PM. Representatives from the Bristol Volunteer Fire Dept, Margaret Deats, Treas. and Joe Stoltz, Asst. Chief were present to discuss the Fire Dept. proposed budget. The proposed budget they presented was for \$194,795. It was the understanding of the Town Board that the \$20,000 that was budgeted each year for the past 5 years would be eliminated in the 2015 budget. The proposed budget they submitted looks like it was not eliminated. The Town Board had used the amount paid to them in 2014 (\$191,917) minus the \$20,000 for the radios (\$171,917) times a 1.5% increase (\$2,578.76) plus the Board added an additional \$3,000 for the update and maintenance for the new radio system. So the amount they budgeted for the Fire Dept. for 2015 was \$177,500. Joe stated that they would discuss the Board's proposal with the Dept's Board of Directors. Discussion also included that the Town would continue to do the necessary snow plowing of their parking lots, and have them remove it in their list of expenses.

They Board reviewed the proposed budget for 2015 and made the following changes. Reduce the amount for A8010.200 to \$10,400 (remove \$10,000 for the purchase of a truck). On A8090.420 change account name to Tank Cleanup. Lower unexpended Fund Balance in General to \$147,775.

Discussions were held on establishing capital reserve funds at the end of this year.

A motion was made by Supervisor Green and seconded by Bruce Harter and carried to adjourn the meeting at 9:15 PM.

Respectfully submitted,

Sharon Miller
Town Clerk
